

**FOOD2go4KIDS ADOPTION OPTION - Weekend Backpack Program
Ligonier Valley School District
www.lv sdfoundation.org - click on "grants and projects"**

Pre-qualified students receive a backpack EVERY Friday during the school year containing food for the weekend - two breakfasts, two lunches, two evening meals, and snacks. The items in the backpacks are 'kid friendly' so they can prepare or open them without adult assistance. They contain items such as spaghettios, Mac'nCheese, applesauce, fruit cups, pop tarts, etc.

The cost per backpack is approximately \$8.27. They are assembled each Thursday by students at the Marker Middle School and distributed to students at the Laurel Valley Elementary and RK Mellon Elementary schools.

Following are adoption options per backpack:
