

A SUNDAY SYMPHONY IN THE LIGONIER VALLEY

The Ligonier Valley School District Foundation is proud to partner with the Westmoreland Symphony Orchestra (WSO) and the Ligonier Valley School District to present a family friendly symphony concert.

The WSO is playing a series of concerts throughout the county to increase awareness about themselves, while all proceeds benefit the local school district foundations. The musical selections will primarily be movie themed, but there will also be other well known pieces.

We are seeking sponsorships for the event to help support the LVSD Foundation. All donations are tax deductible. Those who sponsor will find their name in the events program as well as recognition on the LVSD Foundation website and Facebook page.

Your support is greatly appreciated!
