

**FOOD2go4KIDS ADOPTION OPTION - Weekend "Food Bag" Program
Ligonier Valley School District
www.lv sdfoundation.org - click on "grants and projects"**

Pre-qualified students receive a backpack EVERY Friday during the school year containing food for the weekend - two breakfasts, two lunches, two evening meals, and snacks. The items in the backpacks are 'kid friendly' so they can prepare or open them without adult assistance. They contain nutritious items such as soup, Mac'nCheese, applesauce, fruit cups, pop tarts, pudding, etc.

The cost per backpack has risen to \$9. They are assembled each Thursday by students at the Ligonier Middle School and discreetly distributed to students at Laurel Valley and RK Mellon Elementary, as well as the middle and high schools, on Friday afternoon.

A summer program offers "food bags" that learners can pick up at two locations in the LVSD.

Following are adoption options per backpack:

- _____ One backpack for one child/one distribution.....\$ 9.00
- _____ One backpack for one child/two distributions.....\$ 18.00
- _____ One backpack for one child/four distributions.....\$ 36.00
- _____ One backpack for one child/semester distribution.....\$162.00 (18)
- _____ One backpack for one child/all year distribution.....\$324.00 (36)
- _____ Other.....\$_____
