Dear Friend of the Ligonier Valley School District Foundation,

I hope this letter finds you in good health during these unprecedented times. Considering the obstacles of the year 2020, the LVSD Foundation has still been able to meet its mission. We have provided teacher grants that will help enhance the educational experience. Each year, we continue to increase the amount of funds available for teacher grants. We've already dedicated \$12,000 for this upcoming grant cycle. We have also continued to support our ongoing programs that provide invaluable services to the learners in the district. You may know these programs as the Kidz Kare Fund, Food 2 Go 4 Kids, and the Imagination Library.

Please review the enclosed infographic for more information. It will show you how your past contributions have directly impacted the learners in the Ligonier Valley School District. Your support is the reason that we can make such an impact. We could not have done it without you.

But we aren't done yet! We still have goals to accomplish. We have grants to fund and learners to help. We are also pursuing increasing and sustaining our funds, so that in turn, we can continue to provide valuable services to the school district.

In this season of giving, I ask that you remember us!

On behalf of the board members of the LVSD Foundation, I wish you Happy Holidays and a hopeful 2021.

Respectfully,

Shawn Proskin, President
