

November 1, 2021

Dear Friend of the Ligonier Valley School District Foundation,

Heading into 2021, we faced many unknowns – in the world, on our country, in our community and in the LVSD Foundation. Now reflecting back on the year, I couldn't be more pleased with what we accomplished. For much of 2021, it felt like business as usual for the Foundation. We provided four grant awards for a wide range of areas within the school district. We also continued to support our sustaining programs, including Food2Go4Kids, KidzKare, Imagination Library, and College Now. You can find more information about these programs in the enclosed infographic.

Outside of our typical yearly activities, we were also able to provide support for the District in two additional ways. At the beginning of the year, the Foundation board voted to provide Giant Eagle gift cards to the district's faculty and staff to show appreciation for their outstanding work and perseverance during these difficult times.

Second, having been approached by the school district's athletic department to spearhead a fundraiser to raise money to replace the antiquated scoreboard at Weller Field, the Foundation, with the support of the community and local businesses, raised over \$100,000. The new scoreboard was installed in time for the start of the fall sports season. It's now an impressive addition to Weller Field and our community, helping to highlight the talented athletes participating in the sporting events.

We couldn't have accomplished these valuable works without your support. We've already begun our planning for 2022, and we're excited to see what the new year will bring.

In this season of giving, I ask that you remember us! Your donations go directly to improving and enriching the learning experience of all the learners in the district. And to all who have donated to the LVSD Foundation in the past, thank you!

On behalf of the LVSD Foundation Board Members, I wish you Happy Holidays and a joyous 2022.

Respectfully,

Shawn Proskin, President
